

Quantitative Biology and Biophysics Quiz #3

Biology 020.674.01

April 11, 2022

Instructions for quiz:

1. The exam questions are provided as a pdf document via Blackboard (7 pages, 14 questions total). Please provide your answers through the Excel sheet that is also available through Blackboard.
2. You need to submit 2 documents: (1) the Excel sheet containing your answers, and (2) this cover sheet with your signature.
3. **This quiz is open note and open book.** You may use any resources provided in this class or what you find on the internet, but **MAY NOT** collaborate with others during the quiz. You **MAY NOT** discuss exam content or your solutions with anyone before submission closes at 9:30am on April 12 (even if you submit your answers earlier).
4. You have 24 hours to complete this quiz including saving and uploading your answers to Blackboard. **Make sure the document you upload contains all your answers before you upload it.** If you encounter technical issues during the quiz and cannot upload your file, please email the Excel containing your answers and this cover page with your signature to Xiuqi at cxuqi1@jhu.edu. Your documents must be received before 9:30am on April 12.
5. Ethics Pledge: Please make the following commitment by signing and dating underneath the following pledge: "I agree to complete this quiz without unauthorized assistance from any person. I will not share the quiz questions or contents with anyone until 9:30 AM East Coast Time, April 12, 2022." Your signature here indicates that you have read and understood items 1 -5. Tests will not be accepted unless this signed cover page is submitted.

Good luck!
